SECTION 4: FIRST AID MEASURES

Route of Exposure: Skin, Inhalation

ALWAYS HAVE PLENTY OF WATER AVAILABLE FOR FIRST AID.

Skin: Immediately flush skin with plenty of water for at least 15 minutes. Wash with soap and water.

Eyes: Immediately flush with plenty of water for at least 15 minutes; ensure water flushing of entire surface of eye and lid. Obtain medical attention at once.

Inhalation: Remove to fresh air

Ingestion: Do not induce vomiting. Rinse mouth with water. Obtain immediate medical attention. Never give anything by mouth to an unconscious person.

Remove contaminated clothing promptly. Launder clothing before re-use; discard shoes.

SECTION 5: Fire-Fighting Measures

Flash Point: Will not catch fire.

Flammable Limits: Not Applicable

Extinguishing Media: Carbon dioxide, foam, dry chemical

Special Fire Fighting Procedures: Wear self-contained breathing apparatus with full face piece, operated in pressure demand or other positive pressure mode.

Unusual Fire Hazards: At temperatures above 450°F, material decomposes with the evolution of ammonia and sulfur trioxide. If accidentally mixed with oxidizers like potassium chlorate, potassium nitrate or potassium nitrite, there is an explosive hazard during a fire.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Spill: Use appropriate protective equipment. Dike to contain spill, cover with inert absorbent material, sweep up and place in a suitable container. Ventilate, if spilled in an enclosed area. Flush area well with water. Keep spills and cleaning run-off out of municipal sewers and open bodies of water.

Waste Disposal: Dispose of collected material in compliance with local, state and federal regulations.

SECTION 7: STORAGE AND HANDLING

Precautions: Keep container tightly closed. Store in a cool, dry location.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

Respiratory Protection: NIOSH approved respirator for dusts

Ventilation: Normally used outdoors

Protective Gloves: Impervious Rubber Gloves for prolonged or repeated exposure.

Eye Protection: Chemical goggles or safety glasses. Do not wear contact lenses.
